Summary of Meta Materials Inc. (MMAT) Equity Interest

In October 2021, I began investing in Meta Materials Inc. (MMAT), continuing through to February 2023, with purchases made in two Canadian registered accounts, a Tax-Free Savings Account (TFSA) and a Registered Retirement Savings Plan (RRSP). Following MMAT's declaration of bankruptcy, Canadian regulations required that these holdings could no longer be kept within registered accounts. Consequently, the MMAT holdings were transferred from the TFSA and RRSP to a non-registered account to comply with these regulations. This transfer was completed to maintain compliance and ensure the continued management of these assets outside of the registered account framework.
